

ACCEPTING FINANCIAL AWARDS ONLINE

All continuing students will be allowed to view and accept their financial aid online. All continuing students who receive grants and/or scholarships will have those awards automatically packaged as accepted awards. You will receive an email to your Iona College email account indicating you have been packaged for the 2007-2008 academic year. This process will eliminate the mailing of paper award letters. You will need to:

- Know your PeopleSoft ID and password. If you need assistance logging into PeopleSoft, please contact the Help Desk at (914) 633-2635.
- Login to PeopleSoft (www.ionacollege.edu/peoplesoft) and click Home > SA Self Service > Learner Services > Finances > Accept/Decline Financial Aid. This is where you will be able to view your awards.
- Click on Aid Year (2008)
- Click the Accept box for each loan you are accepting, or click “Accept All” if you are accepting every loan offered.

If your parent is applying for a Federal Parent Loan (PLUS), separate instructions will follow
