Fall 2014	800	615	76.9%
Fall 2013	922	763	82.8%

Note: Retention rate measures the persistence of first-time college students from the first fall term into their second fall term at Iona College.

### Graduation Rates Disclosure

Graduation Rates				
Start Term	Cohort Count	4-Year Rate	5-Year Rate	6-Year Rate
Fall 2010	871	60%	67%	68%
Fall 2009	792	57%	64%	66%
Fall 2008	922	51%	58%	58%

Note: The graduation rates for the fall 2008 class partially reflect the discontinuation of the men's football program. The graduation rate for the fall 2008 class excluding football student-athletes is 63%.

Graduation rate measures the persistence of first-time college students to degree completion within four years, five years, and six years at Iona College. Four-year graduation rate is considered as degree completion "with 100% of normal time" for a baccalaureate degree. Six-year graduation rate is considered as degree completion "with 150% of normal time" for a baccalaureate degree. For instance, the fall 2010 cohort, the most recent, earned degrees within 150% of normal time by completing studies by August 31, 2016.
