- Offers you a job without ever interacting with you
- Wants you to transfer money from one account to another
- Offers to send you a check before you do any work
- Asks you to give your credit card or bank account numbers, or copies of personal documents but you get nothing in writing
- Says you must send payment by wire service or courier
- Offers you a large payment or reward in exchange for allowing the use of your bank account
- Often for depositing checks or transferring money
- Sends you an unexpectedly large check.
