Why you so shocked that we have abilities?
Why you so shocked that we have abilities?
Why you so shocked that we have abilities?

Why you so
Why you so
Why you so shocked!!!

Just Cancel out the chair
Pretend it's not there
Look at us for...
Who we are
Just like the word disability
Take away the dis....
Then we ability on it's own

Yeah, no limit
Yeah, no holdin back
Yeah, never lose hope

Why you so
Why you so
Why you shocked!!!

Yes!!! its tough living like we do
Never say can't
believe in your heart
you'll feel more confident
from the start

Some people see us as a lower class and not smart,
So Don't pay them no mind
their ignorance isn't worth my time
for the ones who are curious about my situation
come to CPW... and it will be a lituation

Chorus

Why you so shocked that we have abilities?
Why you so shocked that we have abilities?

Why you so
