

## Orientation Housing Contract

Congratulations on your acceptance to Iona College and your anticipated participation in the overnight orientation program. You will be staying in one of our residence halls and experiencing what it is like to be an Iona student. With that, you will be responsible for abiding by the rules and regulations of our community. These guidelines are clearly outlined in our Student Handbook. You may access the Iona College Student Handbook online at <http://www.iona.edu/iona/media/Documents/Student%20Life/Resources/studenthandbook.pdf>.

The purpose of this contract is to highlight some of our policies and make our expectations clear for participation in the orientation program. By signing below, you are agreeing to the following expectations:

1. I understand that all College policies will be strictly enforced. As we are a dry campus with regards to alcohol, there will be a zero tolerance policy during the orientation program. Moreover, the illegal use of drugs or smoking inside any of the buildings will not be tolerated. Anyone found violating a College policy will be immediately asked to leave the program and places their residential status in jeopardy.
2. I understand that there will be no visitors permitted in the residence halls while I am participating in the orientation program. The program is for students registered for that program and guests will not be permitted to attend sessions or visit the residence halls.
3. I understand that I am expected to attend all sessions during the orientation program. Students will not be allowed to stay in the residence halls unattended.

Again, by signing below, I am agreeing to the policies set forth by the College for the orientation program.
