If you believe that there are special conditions that were not considered in your 2018-2019 Free Application for Federal Student Aid (FAFSA), or you can now document a significant change in your family's financial circumstances,

subsequent to filing your FAFSA, please complete this Special Conditions Appeal Form to request an evaluation of your financial aid eligibility. **Submission of an appeal does not guarantee approval of an appeal neither guarantee an adjustment to the financial aid award.** Additionally, submission of this form does not prevent accrual of late fees on any unpaid student account balances. You are responsible for all outstanding charges with Iona College.

Federal regulations and institutional policies require that special conditions fall within certain parameters and that they are accompanied with supporting documentation in order to recalculate financial need and eligibility. Therefore, Iona College is held accountable for all decisions made and must be able to fully document why a decision was made to adjust a student's FAFSA. **If an appeal is incomplete it will not be reviewed.**
