

Dependent Verification Worksheet 2023-2024

Your Free Application for Federal Student Aid (FAFSA) has been selected by the U.S. Department of Education for a process called "Verification." According to Federal Student Aid program rules (34 CFR, Part 668) the school must request, review, and compare your 2021 financial documents with the information provided on your application before awarding Federal Student Aid. If there are differences between your application information and your financial aid documents, you or the school may need to make corrections. Additional documentation may be requested once we review your financial aid documents. Please visit www.iona.edu for information regarding Iona University Verification Policy.
