

## IONA UNIVERSITY ARCHDIOCESAN SCHOLARSHIP FOR GRADUATE STUDIES

### Eligibility

Individuals who are currently employed full-time as teachers, administrators, guidance counselors and teaching assistants working in Pre-K programs in Catholic elementary or secondary schools in the New York Archdiocese or neighboring dioceses. Recipients must be admitted to and enrolled in a graduate degree program at Iona. Visiting students and those enrolled in Certificate programs are not eligible. A new form must be filed for each term of enrollment.

### Scholarship Value

The scholarship provides a waiver of one-third (33%) of graduate tuition (not fees) for a maximum of six credits per semester or trimester. Although there are two summer sessions, the summer is considered one study period, and thus one-third of tuition for a maximum of six credits will be waived for the summer. Scholarships are not available for intersession courses, and cannot be combined with any other scholarship, assistantship, or waiver from Iona.
