Killian Gael
123 Any Street
Hometown, NY 12345

Dear Killian,

Congratulations on your acceptance and decision to attend Iona College. We look forward to seeing you on campus!

All students receive a computer account that provides access to the college network, email through Microsoft Office 365, student information system (PeopleSoft), our learning management system (Blackboard) and library databases. The website listed below will provide additional information regarding these systems.

- Your **student id** is **0981686** - used in place of your social security number
- Your **computer id** is **kgael1** and your initial **computer password** is **kiga\$123**

Please go to <http://www.iona.edu/gettingstarted> today to learn about, and get started using, technology at Iona College. This site contains a checklist of items you need to complete before and after you arrive on campus.

We urge you to keep your computer id and password private and to adhere to the college's Computer Use Policy printed on the reverse side of this letter. If you have any questions after reviewing the above website, please contact the Helpdesk at (914) 633-2635.

Sincerely,

Joanne Laughlin Steele
Vice Provost for Information Technology/CIO
